

FERNANDO JESÚS PINEDA DOMÍNGUEZ

About Me

Half self taught, half student. An individual who enjoys his career and whom would love to start his professional career with you. Always ready to learn, share his knowledge and begin new projects. Solid knowledge of object-oriented concepts and experience in Front End with JavaScript, React, React Native, HTML and CSS. Able to perform troubleshooting and debugging of assigned program modules to detect, identify, and remove errors/faults for proper execution.

Education

Universidad Tecnológica Metropolitana, Mérida, Yucatán
Certificate of Studies, IT Engineering, Present

My Projects

Movienator, 2020

A movie library which let the users share their review and rate with their friends, using the OMDB API to retrieve data. Made in one week and still under development.

Technologies used:

- React Native
- Expo
- AsyncStorage
- React Hooks

Video Games Information, 2020

A simple video game search which provides specific information about the video game you request.

Technologies used:

- React
- Express
- Node
- React Hook

Employment history

Cook, Los Baguettes de Carmelina. Mérida, Yucatán
Feb. 2018 – Sep. 2019

As the cook and owner, I had to take initiative to keep improving my restaurant. I'm glad to have built a restaurant, because it improved my interpersonal skills. I now know how to provide quality customer service to my clients.
